

Community Education 2019-20

K- 2nd Grade Basketball

Barnesville Community Education will be sponsoring the Elementary Basketball program for girls and boys in grades kindergarten, 1st and 2nd grades. This program is designed to be a fun learning experience for everyone involved. Students will work on learning the fundamentals of basketball including shooting, dribbling, defense, ball handling and team work. This level of basketball will be about developing skills and learning drills. Students will not play actual basketball games with score keeping. The schedule is subject to change if a High School Activity makes it impossible for this group to be in the gym at the regular time. Notes & Instant Alerts will be sent out in the event that we need to change. T-shirts will be handed out at one of the Saturday practices.
