MAY 17, 2013

## Fifth Grade Here We Come!!

It seems strange to say that this will be our last newsletter for fourth grade. It seems like only few weeks ago the students were coming into the classroom for the first day of school.

As I think back to September and as I look at the students now in May, I can't believe how far they have come. They have learned so many new things and have grown up so much. It is fun to look back at the picture to the left which was taken during the second week of school and then to look at each of the students now. They have all grown

and changed so much. I am confident that they will all make great 5th graders and continue on to be successful

adults. I would like to thank you for all of your hard work and dedication as parents. Without you, we wouldn't have such great success and such great students.

We watched an

amazing talent show on Friday afternoon. This was the second talent show put on by the school and it was great!! Hats off to all of the students who braved their stage fright and put on an excellent performance. Also, hats off to Mrs. Gylland for taking the time to organize the show!! Awesome Job!!

As a reward for all of their efforts, we spent Monday afternoon at Skateland. This was a fun adventure for our students as they were able to practice their skating skills. It was a beautiful day to spend our lunch hour at the park and reward our students for a great 4th grade year!

## Things to come...

As we look to the last week of school, there are a few last things to wrap up. Monday, May 20 will be our track and field day. The 4-6 grade will have their track/field day in the morning from 8:45-noon.

On Friday, our last day of school, the 4-6 grade

awards program will be held beginning at 1:00 p.m.

As we look ahead, next year will bring some more big and exciting changes to Barnesville Schools. I hope you are all looking forward to the multitude of learning the new Schoology program will bring to all students, it will be

a great future for everyone involved and for Barnesville Schools!

Again, thank you for all of your hard work this year! It is so nice to have a great group of parents to support a great group of students. I hope you all have a fun filled and safe summer!! You are all truly a blessing to know!!
